

Jacksonville Association of Firefighters

Vial of Life

Name of Patient:

The Jacksonville Association of Firefighters offer the following tips to assist you during a 911 medical emergency:

Date of Birth:

1) Please fill out the section on the left. This will give the responding firefighters much needed information.

Past Medical History:

2) Make sure your residence is clearly marked so firefighters can find you quickly.

3) Please secure all animals in a separate bed room until firefighters have left the scene.

Medicines Currently Taking:

4) Please place medications in a plastic bag. Firefighters will be taking the medications with them if you are transported.

I am allergic to:

5) If you are calling from a facility with a security gate or door, please alert the staff to the situation and have them prepare for the arrival of emergency personnel.

6) Please keep this sheet in an easily accessible area, preferably on the refrigerator door or with your meds.

Special Instructions/Information:
